**MEMORANDUM**

**TO:** Member Library Directors; Heads of Reference  
**FROM:** Ellen Nasto, Technology & Electronic Resources Supervisor  
**Date:** April 12, 2021  
**RE:** **2021 EBSCO Coordinated order**

Dear Colleagues:

It's time to renew our coordinated order with EBSCO. The subscription term runs from April 1, 2021-March 31, 2022. Package descriptions and pricing for the databases offered can be found on the following pages.

Renewals, new subscription requests, or cancellations should be submitted via <https://portal.suffolklibrarysystem.org/node/29986> by **Friday, April 23, 2021**.

Though we have passed the end of the original subscription term, access to your library's current subscription selections will continue until this order has been finalized with EBSCO. Please contact me or place a ticket in the call center ([help@suffolknet.org](mailto:help@suffolknet.org)) if you see a service disruption.

**What's New:** *Diversity, Equality & Inclusion Package* that includes access to Sociology Index Full Text and Points of View Reference Center, and *Prenda Code Club* for libraries looking to fill a STEM need for student age kids learning to code.

Further questions may be directed to Ellen Nasto ([ellen@suffolknet.org](mailto:ellen@suffolknet.org)).

Thank you for your cooperation!

--Ellen
