A few notes from ESBCO on the changes to this year's order:

- Popular Software Tutorials and Basic Computer Skills are no longer available as product choices.
    - Everything in those products is in the Computer Skills Center plus more

- We have added LearningExpress Library Complete. This contains everything in LearningExpress Library w/ the addition of basic computer skills (which has info on the computer and internet but also has 4 video tutorials on 4 of MS Software (Word, Excel, PP, Office 365 basics) and only at the beginner level), extra AP exams, more DSST and CLEP exams, college success skills, and significant more core academic content.

- With LEL Complete and Computer Skills Center a library has all the MS Software Tutorials (12 of them with Adobe Photoshop and Adobe Illustrator) and goes from a beginner to intermediate and in some cases to advanced.

- Computer Skills Center & Personal Skills Center must be ordered with one of the LearningExpress Library options.

Pricing and additional descriptions for the LEL modules can be found on the next page.
