- LearningExpress Library- supports those looking to improve core academic skills, pass the GED, prepare for college, join the military, obtain occupational certification, find a job, change careers, become a U.S. citizen and much more.
- LearningExpress Library Complete-includes everything in regular LearningExpress Library with 481 additional resources. Those resources include additional AP and SAT content for the high school students. Significantly more core academic content for high school and college students as well as soft skills to help students be successful. It also includes a scholarship finder as well as a school finder to help students achieve their college goals. You also get some basic computer skills that are not part of regular LearningExpress.
- Job and Career Accelerator- Guides students through the job search process with tools to help them get hired; explore careers, view current job postings, and create resumes and cover letters.
- Computer Skills Center- Help patrons and students learn the fundamentals of computers, the internet and popular software applications. A user-friendly e-learning platform that contains nearly 100 self-paced video tutorials. Includes everything in Computer & Internet Basics & Personal Software Tutorials plus more (all 12 MS Software Tutorials & Adobe Photoshop and Adobe Illustrator) and goes from a beginner to intermediate and in some cases to advanced.
