Comics Plus is an always available digital collection of comics with thousands of titles from library-friendly publishers, curated specifically for libraries.

Soon, all Suffolk County patrons will have access to Comics Plus!

Please join us on one of the dates above for a virtual one hour training where attendees will learn about the platform, how to navigate the site, and hear great ways to build engagement from a Comics Plus expert.

The trainings will be recorded for those who may not be able to attend a live session.
