tinyurl.com/RASDprograms2022

Reference Solutions offers a wide-variety of data used often by businesses, entrepreneur's, students, researchers, and job hunters. Learn about some of these use cases and the tools that can be used to provide you with the end results you desire or need. Please contact Nicole Berroyer at nicole@connetquotlibrary.org or Alex Blend at blendalex@mcplibrary.org with any questions.

Community Service that Actually Benefits the Community (YASD)

Friday, September 23 | 3:00 - 3:45pm

<https://tinyurl.com/CommunityYASD>

We all know that teens are constantly looking for community service. Instead of just having them do something to do something we will be discussing community service ideas that actually serve the community in which they live. Presented by the YASD Board.

Navigating Consumer Health Information (RASD)

Thursday, September 29 | 2:30 - 3:15pm

tinyurl.com/RASDprograms2022

Instructor: Jessica Koos, MLS, MEd, AHIP

Navigating consumer health information can be a daunting task, but fear not! This class will give you the skills and confidence you need in order to provide reliable resources to patrons and loved ones! This train-the-trainer model will introduce how to effectively use various websites and tools in the following areas: general consumer health, local health information, and up-to-date COVID-19 data. Tips and tricks for identifying misinformation will also be covered. Join us, and learn how to lead your community along the right path to better health! Please contact Stephanie DiChiara at s.dichiara@sayvillelibrary.org or Sal Filosa at sal@portjefflibrary.org with any questions.
