President's Message

Hello Colleagues!

My name is Kelly Filippone and I am proud to be serving RASD this year as your President. I am a librarian in the Reference Department and the Long Island Room, a local history archives, at The Smithtown Library. This year, RASD has two new officers, Patricia Cruz, Vice President/President Elect and Valerie Harrison, Treasurer. I look forward to working with them along with our Secretary, Mary McNulty, appointed members and the chairpersons of each of our committees. Sal Filosa will also remain on the board to share his insight and wisdom as Past President. His guidance and support is invaluable and greatly appreciated.

After three long years, the Long Island Library Conference is back and RASD is excited to sponsor four dynamic programs. If you are unable to attend the conference, our division is working diligently to provide programs, events and meetings, both virtually and in person, throughout the year. We look forward to welcoming all current and prospective members, as well as any library staff who may be interested in the resources we provide.

When joining SCLA, please consider becoming a member of RASD. Librarianship is always evolving and the RASD Board strives to present the best resources, services and information to develop and improve our profession. Be sure to check out all RASD has to offer at www.scla.net/rasd.

I look forward to working with you all and I am always available to answer any questions, concerns and listen to all suggestions and ideas. Please don't hesitate to reach out to your RASD Board - we are here for you!

Sincerely,
 Kelly Filippone

Career and Business Reference Services Committee

On **Tuesday, April 18th, 2023 at 2:30 p.m.** the Career and Business References Services and the Outreach Committees will be hosting a joint committee meeting at the Long Island Cares facilities. The tour of the Center for Community Engagement and the Harry Chapin Regional Food Bank will cover all of the resources and programs they provide to those in need. The tour should last approximately 45 minutes. There will be committee meetings following the tour in the LI Cares Community Engagements meeting rooms. This is a great opportunity for library professionals to acquaint themselves with Long Island Cares, see all that they provide and possibly discuss future program opportunities.
