Understanding Teen Dating Violence

Dynamics, Challenges and Best Practices: This workshop is geared towards service providers, youth serving organizations, and other professionals.

The presentation describes the dynamics of intimate partner violence among young adults, identifies at-risk groups, the different forms of abuse, and the additional challenges presented within the era of social media. This program is designed to help participants identify abusive behavior among teens and provide practical skills for effective intervention and referrals.

CEU'S WILL BE PROVIDED.

**MAY 17TH | 10AM - 12PM
