VALERIE HARRISON

RASD
TREASURER

My name is Valerie Harrison. I am an Adult Librarian Trainee at Bayport-Blue Point Library and a Public Services Trainee at Patchogue-Medford Library. I have been in the library field for seven years now, working as a Page, Circulation Clerk, and now Trainee. As a Trainee I have stepped up to take part in many different projects such as running the social media accounts for Patchogue-Medford and Bayport Blue Point Library. When I found out that RASD was in need of a Treasurer back in December of 2022, I quickly stepped in and fulfilled that role in January of 2023. I have enjoyed working with and helping out RASD immensely these past four months. I understand that the role of Treasurer is an important one and for that reason I have been working hard to keep RASD organized. My attention to detail and comfort with using spreadsheets has helped make me make that goal possible. Working with RASD's former Treasurer at Bayport-Blue Point Library has given be an extra advantage to be able to learn the role as quickly and smoothly as possible. I am running for Treasurer with the hopes of getting the opportunity to help RASD out more moving forward.

EMMA CESARIO

**RASD
SECRETARY**

I am an Adult Reference Librarian at Central Islip Public Library, where I am responsible for nonfiction collection development and our community resources webpage. I have worked at Suffolk County libraries for seven years, holding previous roles at Emma S. Clark Memorial Library and Patchogue-Medford Library.

My favorite part of being a librarian is developing relationships with patrons, especially at book clubs and other library programs. I love bringing people together and starting conversations around books and big ideas. Another passion of mine is connecting patrons with the information and local resources that can change their lives, whether it's a career center, food pantry, or legal aid organization.

I received my M.L.S. from Queens College in 2022 and my B.A. in English, summa cum laude, from Stony Brook University in 2020.

MELISSA SUTTER

RASD
SECRETARY

I'm Melissa Sutter and I'm currently the outreach librarian in Adult Reference at Rogers Memorial Library. I have worked in Suffolk County libraries since 2014 in a variety of positions including page, circulation clerk, administrative assistant and finally reference librarian. I graduated from St. Joseph's University with a BA in English and minor in history in 2016 and received my MLIS from the University of Buffalo in 2021. Even before I began library school, my interest was in adult reference and outreach. It is often those with the greatest barriers to access that also have the most need for library services, and I enjoy finding innovative ways to reach those patrons where they are.

Libraries and their associations bear a responsibility to confront the challenges to equitable access we see every day and expand services accordingly. I hope to assist in this mission with a role within RASD.
