

Are you looking to advance your career to the administration level?

Then this program might be for you!

What: Mentoring is a supportive relationship between a Library Director or Assistant Director and a Librarian

Who: Librarians who are interested in career advancement and leadership roles

Where: Regular meetings with Mentor (virtually, telephone, email or face-to-face)

When: Yearlong commitment: January - December 2024

What are the benefits received by Mentees?

- Advice and experience with career planning
- Ability to have civil service and non-civil service career questions answered
- Opportunity to reflect on your own practices
- Enhanced confidence from positive feedback
- Greater understanding of library organizations
- Learning and experience from the guidance of a seasoned Mentor

What is expected from a Mentee?

- Commit to a year of formal Mentorship
- Accept career advice and counseling based on Mentor's experience
- Share professional experiences and questions with your Mentor
- **Maintain confidentiality**

If you are interested in being a Mentee for the 2024 year, [please click here to fill out an interest form by October 16.](#)
