- Participate in collection development, cataloging, and organization of the children's reading room
- Be innovative in developing and executing new/ongoing programming for children
- Interest in working collaboratively with children's/youth services librarians from nearby libraries to offer programs and services
- Handle outreach to the community, especially local schools and community centers
- Ability to work with outside programmers and other vendors
- Maintain and report on departmental statistics and budget
- Attend professional development activities (such as offsite meetings, trainings, and conferences)
- Light supervision of children's room support staff
- Participate in library circulation activities and offer technology assistance and/or training
- May perform other duties as assigned

Required Knowledge, Skills, and Abilities

- Excellent communication skills, both written and verbal
- Excellent organizational and scheduling skills
- Demonstrated interest and proficiency in technology
- Ability to work independently, follow through with projects, and meet deadlines
- Be a team player, be flexible, and be willing to help in all library departments
- Spanish-speaking a plus

Requirements:

- ALA-Accredited Master's Degree in Library and Information Science (MLS or MLIS); Current MLS students welcome to apply.

Hours, Wages, and Benefits:

- \$48,000-\$55,000, commensurate with experience
- 35 Hours/Week; Flexible schedule that will include nights and weekends

- NYSHIP health insurance is 100% paid for individuals; paid vacation, personal, and sick time; 403(b) with employer match
