

MEALS FOR KIDS

venmo

DID YOU KNOW...

70,000 Children on Long Island Live with Food Insecurity and Hunger?

AGAPE is changing that!

Agape Meals for Kids gives backpacks with food to children that have been identified as facing food insecurity every week.

Every Friday these children are given a backpack after school with **7 easy-to-make meals and snacks.**

100% of ALL DONATIONS GO DIRECTLY TO FEEDING LOCAL CHILDREN

There are many reasons for childhood hunger.

None of them are the responsibility of children to fix. Many watch their parents do with less and less, just to try to pay the rent and utilities.

When we send home an Agape Meals backpack on Friday, we are also sending home hope and love!

After all, **Agápē**, which means unconditional love, is the first word in our name.

Let's work together to help as many children as we can.

Join us in making a difference. We can't do this without you.
