CATS presents:

THE *Accidental* WEB MANAGER

Who runs your library website?

Is it you?

How in all the jobs in the world did you get in this situation?

Like many, you may be an accidental web manager, and we're here to help.

Join us for a in-person meeting at SCLS on June 11th at 2:15 for a general discussion on library website management.

Topics:

Wordpress, Drupal, and more.
What do you use to run your website?
Communicating your library services effectively.
Summer Reading Club 2024.
General maintenance.
Posting events to your site graphically, and through your events calendar.
