Join us for a panel discussion with local immigration advocates!

During this program, you will learn information, resources, and ideas to support immigrant patrons in your library. Our speakers will provide an overview of their organizations and the services they provide. We will connect our speakers' expertise and experiences with reference questions library staff may receive. Attendees will leave this program with the confidence and skills to help guide patrons in the right direction.

**Suffolk Cooperative Library System**  
**627 Sunrise Hwy, Bellport NY**
