

## CONNETQUOT PUBLIC LIBRARY

### **Part-Time Librarian / Librarian Trainee / Library Assistant Position**

Connetquot Public Library is seeking an enthusiastic and creative **Librarian or Assistant** to serve the community in our vibrant makerspace and teen area. This position provides technology and reference services, operates and maintains makerspace equipment, and designs and delivers classes and programs for patrons of all ages, with an emphasis on teens and young adults.

The ideal candidate will be comfortable with hands-on technology, creative tools, and instructional delivery, and will have a strong commitment to customer service and lifelong learning.

#### **Key Responsibilities:**

- Provide one-on-one assistance at the information desk, helping patrons with technology questions, devices, and software.
- Operate, maintain, and troubleshoot makerspace equipment, which may include: 3D printers, laser cutter/engraver, Cricut machines, sewing machines, recording equipment, and other emerging technologies, such as large-scale poster printer, embroidery machine and sublimation printer.
- Develop and teach classes and workshops on creative technologies and digital literacy.
- Collaborate with other staff on teen programs and support use of the teen space.
- Contribute to collection development in relevant technology and maker subject areas.
- Stay current on emerging technology trends and recommend new tools or programs for the library.
- Support library-wide programming, outreach, and special events as needed.

#### **Qualifications:**

- **Librarian:** Master's Degree in Library or Information Science from an ALA-accredited program.
- **Librarian Trainee:** Currently enrolled in an ALA-accredited MLS/MLIS program.
- **Library Assistant:** Bachelor's Degree.

**Salary:** Between \$22.16 and \$31.20, depending if Assistant, Trainee or Librarian.

**Benefits:** New York State Retirement System (NYSLRS), and Vacation PTO
