East End Tech Coalition & Tech Services Roundtable

Thursday, October 9
10:30a.m. - 1:30p.m.
Rogers Memorial Library

You're invited to a special joint meeting of the East End Tech Coalition (EETC) and the Tech Services Roundtable (TSR). This program aims to bring together professionals from across Suffolk County to explore the latest trends, challenges, and best practices in library technology and technical services. It's a great opportunity to network with colleagues, share insights, and learn how libraries are adapting to the rapidly changing tech landscape. Whether you're involved in IT, cataloging, or general library operations, this meeting promises valuable discussions and fresh perspectives.
