

# Middle Country Public Library INNOVATION SPACE TOUR

*Wednesday, November 12  
11am-1pm*

Join us for a guided tour of the Middle Country Public Library's Innovation Space, a state-of-the-art makerspace that opened in 2022. Designed to foster creativity, learning, and hands-on exploration, the Innovation Space features Prusa and Ultimaker 3D printers, a Carbide 3D Shapeoko CNC Router, an Epilog FusionEdge laser engraver, and the xTool F1 laser engraver. The space also offers sublimation and heat press tools, a variety of crafting and fabrication machines, and a fully equipped media recording studio. CEUs will be awarded.
