

# RASD & SSD Present: Customer Service Roundtable

November 17 @ 11am

SCLS

627 Sunrise Hwy, Bellport, NY  
11713

Join us for an engaging roundtable discussion all about customer service in libraries!

No matter your role, most of us work with patrons in one way or another. This event is designed to help bridge the gap between departments while strengthening the way we serve our communities.

We'll share tips, tricks, and best practices for creating positive patron experiences, as well as strategies for supporting one another and practicing self-care along the way. Come ready to share, learn, and connect!
