CATS ANNUAL MEETING

Guest Speaker

AnnaLee Dragon

NYLA President

We're excited to welcome AnnaLee Dragon, Executive Director of NYLA, who will offer a clear history of ebook legislation in New York State and highlight the current bills NYLA is working to advance. She will also address broader concerns surrounding eBook and electronic collections, along with key considerations for the library community as we plan for the future. Her presentation will be followed by a Q&A and, ideally, a larger group discussion about next steps. Attendees will also have the chance to explore a CCP Solutions product petting zoo featuring their latest technology.

**Wednesday,
December 3rd
10 a.m.
SCLS Auditorium**

Breakfast will be provided by CCP Solutions. CEUs will be awarded.
