

RASD EMERGING TECHNOLOGIES COMMITTEE PRESENTS:

INTRO TO AI FOR LIBRARIANS BACK-TO-BASICS WORKSHOP

Curious about artificial intelligence but not sure where to start?
In this beginner-friendly session, Josh Varon of Varon
Consulting, LLC will cover:

- What AI is (and what it isn't)
- Key terms explained in plain language
- Realistic ways AI may impact library work and services

No tech background required. Just the fundamentals, tailored for
librarians!

Wednesday, January 14th
1:00pm - 2:00pm via Zoom
